

Theodore F Mollano

1433 Paresky, 54 Chapin Hill Dr. – Williamstown, MA 01267

📞 (603) 491 9497 • ✉️ tfmollano@gmail.com

Education

Williams College

Bachelor of Arts in Physics and Mathematics, GPA: 3.80 – Dean's List

- Physics Major with Honors, Mathematics Major with Honors

Williamstown, MA

2021–Present

Research Experience

Giovanetti Laboratory

Physics Research Assistant

- Developed computer programs in Arduino and Python for data analysis of in-house experiments on Argon-based scintillation
- Built a PID controller for an argon-based Time Projection Chamber (TPC)
- Deployed and managed a server using InfluxDB for data storage and Grafana for real-time data visualization
- 2025 Research Project analyzing gamma ray spectra of Tantalum decays

Williams College

2022–2025

Williams College

Mathematics Research Assistant

- Researched moment map μ_c images occurring from Lie-group action of $SO(n)$ under the supervision of Professor Terek

Williamstown, MA

2024

Teaching Experience

Williams College

Mathematics Teaching Assistant

- Abstract Algebra (2023)
- Measure Theory (2024)
- Linear Algebra (2025)
- p-Adic Analysis (2025)
- Electricity and Magnetism (2025)

Williamstown, MA

2023–2024

Professional Experience

Mathematica/Wolfram Research

Chemical Graph Researcher

- Interned for a year implementing programs for computational chemistry using Mathematica software
- Developed algorithms for analyzing chemical graphs and molecular structures
- Collaborated with a team to improve software tools for chemists and researchers

Remote

2021–2023

Skills

Programming

- Python, C++, Java
- Arduino, Git, Robotics, Machining and Metalworking

Software & Tools

- LaTeX, Mathematica,
- HTML, CSS, Node.js

Awards & Honors

2021–Present: Dean's List, Williams College

2025: Physics Major with Honors

2025: Mathematics Major with Honors

Languages: English (Native), German (Strong), Italian (Intermediate), Chinese (Weak).
